

*Office Memorandum* • UNITED STATES GOVERNMENT  
SECRET

TO : Director for Training

FROM : Chief, General Services

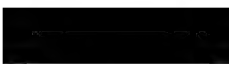

SUBJECT: Vital Material

DATE:

1. Reference is made to memorandum to you dated 5 January 1953, in which this office enumerated certain Vital Materials in your possession, and further, recommended that these materials be transferred from your office to the Vital Materials Repository.

2. Since the writing of this memorandum, your office has been called weekly regarding the availability of material for deposit, but with the exception of Training Bulletin #1, several Training Regulations and Notices, and other administrative material, none of the Vital Materials listed in the above mentioned memorandum have been transferred to the Repository.

3. As this program was instituted to afford protection to materials appraised as Vital, it seems imperative that immediate action be taken to provide the necessary safe keeping.
